Writing an essay as an argument makes it easier to keep the essay focused, clear and logical; not only that but what you write is much more likely to stay in line with the essay question. This means that you won’t lose marks through waffling, generalising or re-telling. Essays are about opinions, not facts

the main points of your essay in order to make some overall statement in response to the question. Unless you are particularly gifted, you will not be able to write your finished essay straight off. All that you will write is a “first draft”. Too many students, however, submit first drafts as though they were finished essays. Consequently, their marks suffer. Try, if you can, to complete
