There is no large-scale problem in Europe today, but domestic political issues in which the migration theme is exploited, says journalist Antonella Rampino

### **Blame for the "migrant crisis" lies with national**

The contributors, an authoritative group of Americans and Europeans, explore the new Europe's "west and east" using intertwining themes of domestic politics, European integration, and European security. Each chapter provides a foundation of basic political information and explanation, enhanced by distinctive and informed perspectives on current issues. Now in its fourth edition, Europe Today ...
