Section 1: AFF Ground Training Syllabus 1.7 Level 1: A great deal of explanation and demonstration is to be covered by the instructor. Some might find it useful to breakdown the sequence of the Level 1 skydive in to separate parts and then combine it all together at the end. The instructor should ensure that the student is proficient enough before moving to the next stage. a. Explain ...

ACCELERATED FREE FALL MANUAL - bpa.org.uk

This 6-day course is mandatory for anyone who will be employed to deliver aviation security training to ground security staff at airports. It is also mandatory for any trainer delivering in-flight supplies security training or aircraft security training to ground-based staff (such as secure-clean contractors). The course is designed to provide delegates with access to the information needed to ...

Aviation Security Training - gov.uk

do as much work as possible from the ground; ... safely (eg how to tie a ladder properly) and appropriate training. Training often takes place on the job, it does not always take place in a classroom. When a more technical level of competence is required, for example drawing up a plan for assembling a complex scaffold, existing training and certification schemes drawn up by trade associations ...
