Postwar Japan has consistently maintained close cooperation with the United States over the last four decades over such major issues as Japan's recognition of China, their peace treaties, and, more recently, Japan's resumption of the yen loan to C...

Hegemonic Cooperation and Conflict - overdrive.com

In spite of Japan's well-known conflict of interests in China with the United States over the last four decades, Japan has consistently maintained close cooperation with the United States. This cooperation poses important questions which are central to current debates about the shape of the new world order in general, and America's world role in particular, in the post-Cold War era. Has ...
